

Your Career Counselor

Drive Professional Development, Mentoring and Workforce Advances in a Single Platform

The US workforce is experiencing an accelerating gap in available workers and qualified job candidates, with no signs of slowing. Meeting this challenge requires employers to expand on existing, proven approaches as well as developing new ones. CTEWorkforce is a leader in this area with a wide range of services to meet these broader needs in a way that fits your organization.

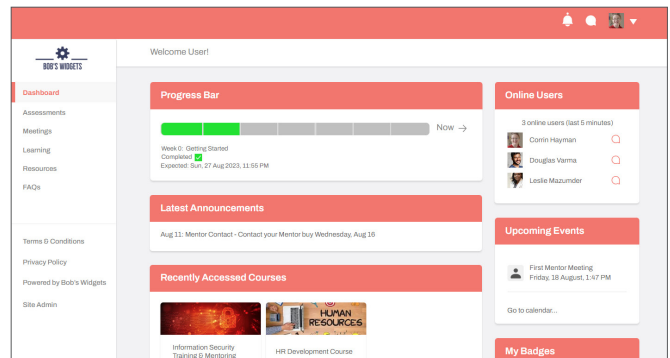

Your Career Counselor (YCC) is a secure, cloud-based solution that can power both new and existing workforce and professional development initiatives within your organization. YCC is a robust, easy to use human capital optimization platform that will deliver high degrees of user satisfaction and engagement with students, employees, and prospective employees. The white-labeled platform can be easily integrated into a broad range of existing internal human resources applications. Only YCC features all the tools to meet the needs of the ever-changing workplace including:

- **Assessments**
- **Onboarding**
- **Upskilling/reskilling**
- **Online learning**
- **Professional and peer mentoring**
- **Apprenticeships**

Your Career Counselor has been successfully deployed in the IT, education, healthcare, and construction industries with the flexibility to adapt to additional verticals. To schedule a demo please visit yourcareercounselor.com.
